## Recovery and Advancement of Informal Sector Employment (RAISE) (P174085)

## **DRAFT**

## ENVIRONMENTAL and SOCIAL COMMITMENT PLAN (ESCP)

[October 2020]

**Government of Bangladesh** 

## **ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN**

- 1. The Government of Bangladesh (GoB) (the Recipient) will implement the Recovery and Advancement of Informal Sector EmploymentProject (the Project), with the involvement of Palli Karma-Sahayak Foundation (PKSF) and Wage Earner Welfare Board (WEWB) (jointly, the Implementing Agencies or IAs). The International Development Association, (the Association) has agreed to provide financing for the Project.
- 2. The Recipientwill implement material measures and actions so that the Project is implemented in accordance with Environmental and Social Standards (ESSs). This Environmental and Social Commitment Plan (ESCP) sets out material measures and actions, any specific documents or plans, as well as the timing for each of these.
- 3. The Recipient will also comply with the provisions of any other E&S documents required under the ESF and referred to in this ESCP, such as Environmental and Social Management Framework (ESMF, for WEWB), Labor Management Procedures (LMP), Stakeholder Engagement Plan (SEP), and Environmental and Social Management System (ESMS, for PKSF) and the timelines specified in those E&S documents.
- 4. The Recipient is responsible for compliance with all requirements of the ESCP even when implementation of specific measures and actions is conducted by the IAs referenced in 1 above.
- 5. Implementation of the material measures and actions set out in this ESCP will be monitored and reported to the Association by the Recipient as required by the ESCP and the conditions of the legal agreement, and the Association will monitor and assess progress and completion of the material measures and actions throughout implementation of the Project.
- 6. As agreed by the Association and the Recipient, this ESCP may be revised from time to time during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, the Recipient will agree to the changes with the Association and will update the ESCP to reflect such changes. Agreement on changes to the ESCP will be documented through the exchange of letters signed between the Association and the Recipient. The Recipient will promptly disclose the updated ESCP.
- 7. Where Project changes, unforeseen circumstances, or Project performance result in changes to the risks and impacts during Project implementation, the Recipient shall provide additional funds, if needed, to implement actions and measures to address such risks and impacts.

MATER	RIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLEENTITY/AUTHORITY
MONIT	ORING AND REPORTING		
A	REGULAR REPORTING  Prepare and submit to the Association, regular monitoring reports on environmental, social, health and safety (ESHS) performance of the Project, including but not limited to the implementation of the ESCP, status of preparation and implementation of E&S documents required under the ESCP, stakeholder engagement activities, functioning of the grievance mechanism(s).	Submit Half yearly (every six months) reports in an agreed format throughout Project implementation as part of Project Reports. The Project Report will be submitted within 30 days after the end of each calendar semester.	IAs
	Deploy Independent Verification Consultants (IVCs) for monitoring and verifying project outputs and carryout independent environmental, social, health and safety audit to propose corrective measures.	Deploy IVCs before mid-term review	
В	INCIDENTS AND ACCIDENTS  Notify the Association of any incident or accident related to the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers including accidents that could result in fatalities, injuries, cases of GBV/SEA, serious mismanagement in handling waste, security breach, etc, provide sufficient details regarding the incident or accident, indicating immediate measures taken or that are planned to be taken to address it, and any information provided by any contractor and supervising entity, as appropriate. Subsequently, as per the Association's request, prepare a report on the incident or accident and propose any measures to prevent its recurrence.	Notify the Association within 24 hours of learning of the accidents or incidents.  Provide a report on action taken on the same by 07 (Seven) days of notifying the Association.	IAs (PMUs)
	ASSESSMENT AND MANAGEMENT OF ENVIRONMENTAL AND SOCIAL		LA c/DAILIC
1.1	ORGANIZATIONAL STRUCTURE	Appointment of all specialists (1ES,	IAs(PMUs)

	PKSF to recruit an Environmental Specialist (ES) – responsible for addressing environmental risks/impacts, environment related occupational health and safety issues as well as waste management issues and a Social Development Specialist (SDS) – responsible for addressing risks associated with social issues (labor, gender, OHS), and for monitoring and ensuring application of COVID-19 protocol of Ministry of Health and Family Welfare (MoHFW) and World Health Organization (WHO) with qualifications, experience and under terms of reference satisfactory to the Association. Specialists may be taken from existing Environment and Climate Change Unit of PKSF or inducted in that unit as part of the project.  WEWB to recruit aSocial and Environmental Specialist (SES) – responsible for addressing risks associated with social issues (labor, gender, OHS) and environmental issues	<b>1SDS, 1 SES</b> ) will be completed within 3 months after the Effective Date The specialists will provide inputs as necessary throughout the Project implementation. Until the recruitment, the IA's existing staff will support the project's E&S management.	
1.2	ENVIRONMENTAL AND SOCIAL ASSESSMENT PKSF's ESMS was reviewed and recommendations made under ESS9 of ESCP. Update ESMS as per recommendations.  WEWB to prepare an Environmental and Social Management Frameworks (ESMF) detailing policy, procedure and guidance for assessment and management of environmental and social risks and impacts.  Prepare and disclose E&S assessment and screening for subprojects as soon as they are known.  Upon activation of CERC, prepare a brief CERC-ESMF, update related E&S instruments (SEP, ESCP, ESMF and Grievance Mechanism) as required	ESMS updated and approved by PKSF senior management prior to the commencement of Project activities by PKSF  WEWB ESMF disclosed before Project appraisal  Duringappraisal of each sub-project  Upon activation of CERC	PKSF Management and WEWB's PMU (E&S Specialists)  CERC Implementation Agency
1.3	ELIGIBILITY CRITERIA FOR SUBPROJECT Implement the screening mechanism and exclusionlist (which isa part of PKSF ESMS) to verify that sub-projects meet the	Exclusion list is a part of ESMS	PKSF PMU

eligibility criteria and ensure that such sub-projects will not adversely impact the environment and the people. Conduct screening to exclude those in the exclusion list and keep the screening documentation during the project implementation.  ESS2: LABOR AND WORKING CONDITIONS  2.1 LABOR MANAGEMENT: Implement the Project in a manner acceptable to the Association, including through, inter alia, implementing adequate occupational health and safety measures (including emergency preparedness and response measures), ensuring appropriate working condition amidst a public health emergency (including measures against outbreak of COVID-19), provision of training/apprenticeship on handling emergency situation especially health related issues, and setting out grievance arrangements for Project workers, and incorporating labor requirements in the procurement documents and contracts with contractors and supervising firms. The Recipient will prohibit child labor (any person under the age of 18), forced labor and trafficked persons.  Prepare a Labor Management Procedures (LMP) for implementation throughout the Project.  2.2 GRIEVANCE REDRESS MECHANISM (GRM) FOR PROJECT WORKERS Establish, maintain, and operate a GRM for the Project workers will be established before commencement of Project activities and it will remain operational throughout Project implementation.  2.3 OCCUPATIONAL HEALTH AND SAFETY (OHS) MEASURES Prepare, adopt, and implement occupational, health and safety (OHS) measures specified in LMP, especially measures related to mitigating COVID-19 risks.  ESS3: RESOURCE EFFICIENCY AND POLLUTION PREVENTION AND MANAGEMENT:  PKSF ESMS(refer 1.3 above) includes an exclusion list of interventions/ businesses that could potentially createsignificant.  The operation manual approved prior to the commencement of Project activities by PKSF
